# RACECOURSE MARINA WINDSOR

*A countryside setting in the heart  
of the Thames Valley*

Racecourse Marina Windsor is a unique and tranquil setting adjacent to Windsor Racecourse. From this location going upstream you can get easily to Bray, Maidenhead, Cookham, Henley, and our Thames & Kennet Marina at Reading, and going downstream to Runnymede, Staines, and our Walton Marina, Walton-on-Thames.

Racecourse Marina Windsor is situated just above Boveney Lock at the west side of the beautiful town of Windsor. A ten minute cruise down the millstream brings you to the Marina, overlooking the Racecourse itself.

By road, the Racecourse Marina Windsor is only one mile from Windsor town centre, and only a short distance from the M4, M40 and M25. The M3 is also readily accessible driving through the beautiful Windsor Great Park.

The towns of Windsor, Eton and Maidenhead offer excellent shopping facilities, public houses, restaurants, and cinemas, with the popular Theatre Royal in Windsor. There are various places of interest such as Windsor Castle, Thorpe Park and of course the horse racing at Windsor and Ascot. Windsor has a leisure pool, and for walkers the Windsor Great Park with miles of parkland, where some of the great Oak trees are over two hundred years old.

Windsor is served by two railway stations, with quick connections from Central station via Slough for London Paddington, and from the Riverside station to Waterloo.
