

a better outlook

THAMES & KENNET MARINA

Two Marinas in one secure yet popular location

A superb modern Marina, comprising the Cruiser Marina and the Narrowboat Marina, in a quiet secure location alongside the River Thames junction with the Kennet and Avon Canal. The road entrance to the Marina, through two sets of security gates and across the nature reserve, is just off the Reading to Henley road. Access by boat is direct from the main River Thames, just downstream of the junction with the Kennet and Avon Canal.

The pontoon facilities are state of the art, with floating pontoons, lighting, water, and safety equipment throughout. Excellent toilet and shower facilities are available at both marina basins. A launderette is also available to moorers. Mains electric and telephone connection is available to every berth. Services include WC pump-out, diesel, and hoisting facilities in the adjacent yard. Security is excellent, with two road barriers, and gated access to the pontoons. The Marina is open seven days a week for viewing, so please pay us a visit and see our excellent facilities

Cruising locally offers a tempting choice of beautiful Thames-side villages including Sonning, Shiplake, Pangbourne, Goring, and Stratley. And the larger town of Reading is close by for shopping. For those of a more energetic disposition, the Redgrave Pinsent Rowing Lake is next door.

Chandlery

A well-stocked Chandlery offers a range of boating equipment, to suit most day to day requirements, as well as coal, gas and electric cards. Diesel and pump-out can also be obtained via the Chandlery.

Boat Sales

There are two successful boat sales companies operating on site, selling new and used Narrowboats and Cruisers. The New Boat Company offers a range of narrowboats and wide-beam craft, from sailaway to fully-fitted. A good selection of craft is always available. Contact The New Boat Company on 0118 947 9506. Thames & Kennet Marine Sales are agents for a selection of new river cruisers, and are part of the successful Thames Boat Sales group. Contact Thames & Kennet Marine Sales on 0118 947 7770.
