

a better outlook

WALTON MARINA

*On the Royal River Thames, a short cruise away
from a wealth of historic places yet within the M25.*

With direct access onto the River Thames, Walton Marina offers permanent berths afloat for all types of motor cruisers with excellent marina facilities in a safe, relaxed atmosphere, with moorers access 365 days a year. Seasonal small boat berths are available. All this is half an hour from central London and within easy reach of the M4, M3 and M25.

The river flows directly past the landmark boathouse which has stood on the site for over 100 years, and it is just a short cruise to historic Hampton Court Palace, Runnymede and Windsor, not to mention Kingston Upon Thames for superb shopping.

From the Thames you can join the Kennet & Avon Canal, the Oxford Canal, the River Wey and the Grand Union Canal. But with 124 miles of non-tidal river to explore there is a huge scope for varied cruising. Moorers at Walton can join the Social Group who organise outings and events.

The Marina has a Visitors Pontoon for passing boaters and towpath walkers on the National Thames Path Trail regularly call into the Coffee Shop for refreshments.

With a busy calendar of Regattas, pageants such as Swan Upping and Traditional Boat Rallies, mooring at Walton Marina should never leave you at a loss for something different to do at the weekend. Why not try some of the excellent riverside pubs or restaurants locally?

Boat Sales

Walton Marine specialise in cruisers for rivers, inland waterways and coastal cruising. Whatever size and type of boat is most suitable for you there will always be help and advice, with special help and tuition given to first time buyers. The active sales department upstairs can provide information on product ranges, arrange demonstrations, and, for used boats, supply a Sales Pack for vendors and a Brokerage list for purchasers. There are 'Fact Sheets' available to help answer the most commonly asked questions about owning a boat.

Chandlery

A well stocked Chandlery Shop is open 7 days a week and is packed full of good ideas and the latest boating products. Best selling ranges of dinghies, inflatables, outboard engines, pumps and generators fill the showroom. Knowledgeable staff are on hand for lots of help and advice. There is top of the range wet weather clothing, ropes, fenders, pennants, lifejackets, and all types of navigational instrumentation - in fact everything to help you enjoy messing about in boats! There are even light refreshments available throughout the year.

Service & Boat Maintenance...plus

Experienced engineering staff are on hand to help with repairs and general boat maintenance. The Marina has a hoist for the smaller workshop jobs and a crane for bigger lifting tasks. The Service Centre is busy all year round with programmes covering winter work and routine engine servicing.

Moorers also have access to a slipway, refuse disposal on site, WC pump out facility, public telephone, showers and toilets, security main gate code. A valet service and marine trimming facility are also available on site.
