

## **RBS Marine Announce Tingdene Boat Sales as Sales Agents**

RBS Marine are pleased to announce the appointment of Tingdene Boat Sales as new Rodman agents covering the Thames, Severn and Broads region. They will offer the entire Rodman range across 7 offices at their Marinas in Windsor, Walton-on-Thames, Pyrford, Stourport, Upton, Brundall Bay and Thames & Kennet in Reading.

Ben Stevens of RBS Marine cited Tingdene's fantastic locations and wealth of experience as key factors in the relationship; "Rodman boats, particularly the new Spirit range, are ideally suited to Thames waters, with single and twin engine options and low air draft. Tingdene's professional, knowledgeable approach will convey this and help strengthen our brand throughout these key locations."
