

Before you enjoy your time on the water we just need to run through some rules of the Broad and safety precautions.

By signing below you are confirming that a member of our handover team has told you the following:

- The speed limit on the Broads is approximately 5mph or a fast walking pace
- As this is a petrol boat no smoking is permitted aboard
- You must not fish from the vessel while under way
- Please moor safely and follow regulations displayed at moorings
- Please do not beach the vessel
- For your own safety you should never swim in the rivers or Broads
- Do not hang your legs over the side of the vessel whilst underway
- You must navigate on right hand side of the broad
- You must not walk on the decks of the vessel while underway
- You have told what to do in the event of a man overboard
- You have been shown the location of the fire extinguishers and other safety equipment
- Lifejackets have been provided for under 16s and non-swimmers
- Please do not remove the engine coving
- In the event of an emergency or a breakdown please call 01502 440238
