ELECTRICITY

Mains electric shore-power is available to boats properly equipped for shore supply. Electric is available by pre-paid meter cards (available from the Marina); depending on location.

Metered charge per Kwh unit variable to equal supply cost. Charges for metered units include standing charges, monthly demand charge, capacity charge, climate change levy, repair and renewal costs, NICEIC certification costs, maintenance costs, and administration costs. The current price per Kwh unit is displayed on the marina office noticeboard; this charge may alter without notice if supply costs alter.

Important notice: electric supply continuity cannot be guaranteed. Mains electricity is only available to boats with a properly equipped and protected ring-main installation. Electricity is supplied in accordance with OFGEM regulations. Any boat found unattended and 'plugged in' will be disconnected.

TERMS AND CONDITIONS

All berth-holders agree to abide by the standard terms and conditions of mooring and storage as displayed in the marina office. All owners are required to provide insurance cover for third party claims of a minimum £3,000,000 and may be asked to produce evidence to this effect. Residential use not permitted.
